

REMARKS

In an Office Action mailed October 5, 2005, the Examiner indicated that Applicant would be required to elect one of three species and one of the three sub-species. Applicant hereby elects species 1 as represented by Figure 9 and sub-species 3 as represented by Figure 6b. The claims that read on the elected species and sub-species are claims 1-5, 7-9, 13-17 and 19. Claim 6 is canceled herein and claims 10-12, 18 and 20 are withdrawn. In addition, some of the remaining claims have been amended to eliminate multiple dependencies.

Also included with this response is a Power of Attorney by Inventor (Revocation of Prior Powers). Applicant respectfully requests that said Revocation be granted and that all correspondence with regard to this matter be directed to Applicant's newly appointed representative.

As such, any questions should be directed to Applicant's below-signed representative.

Respectfully submitted,
